

DIAVERUM ITALY OVERVIEW

Maria Chiara Durio – Managing Director Italy

Rome, 2022

WELCOME TO ROME!

Diaverum Italy

Diaverum Italy has more than 25 years of experience in the area of dialysis. The patient quality of life is at the centre of all activities. The high focus on medical quality, preventive care, management and the treatment of kidney disease, as well as its individual patient care focus, makes Diaverum unique.

Focus on Apulia

PUGLIA NOWADAYS IS THE TOP HOLIDAY DESTINATION

Welcome

You are probably reading this guide because you, or someone you care for, is a dialysis patient. As the world cautiously emerges from the COVID-19 pandemic, perhaps your thoughts have turned to travel, to holidays? If so, you are in the right place, because at Diaverum we believe travelling for pleasure is an enriching experience, increasing wellbeing for our patients and their families alike, and helping you to live the fulfilling life that you deserve.

We have 7 clinics in beautiful Apulia and our clinic staff can help at all steps of your holiday planning, from ideas of places to visit, to ensuring that you receive the best quality care at your destination.

This guide is designed to whet your appetite for one of the most popular holiday destinations in Italy, Apulia, one of our 20 Regions located in the South of the country in the so called “heel of Italy’s boot”.

What to see in Apulia
