# Experience new places?

A woman with glasses is laughing joyfully while holding a baby. The baby is wearing a denim jacket and striped pants. They are in a field of tall grass with a lake and hills in the background. The text "Visit your family & friends away from home?" is overlaid on the right side of the image.

**Visit your family &  
friends away from  
home?**

Perhaps go to a wedding  
in another town?

**So does dialysis patients.**  
**And their loved ones.**

What traveling  
dialysis patients  
have in common,  
is the need for  
treatment routines  
and regular  
dialysis hours

That is why we've  
developed  
d.HOLIDAY, a  
service for **all**  
dialysis patients  
around the globe

A seamless experience for renal care patients, regardless of origin, providing easy access to dialysis care in another city or country – making it possible to visit family, travel for work or go on holiday.

# Lisbon

Lisbon is the stunning capital city of Portugal and one of the most charismatic and vibrant cities of Europe. It is the city of seven hills, embracing the Tagg River. Full light streets to explore and monuments that honour the history of Portugal.

• Don't miss:

- **Belém Tower** - this tower was used to defend the city. Years later, it was transformed into a lighthouse and customs house and its five floors lead to a roof terrace, each storey connected by a small and narrow spiral staircase;
- **Jardines Monastery** - listed as a National Monument, its elaborate carvings showcase the glorious wealth that the age of exploration brought to the Portuguese empire;
- **Bairro Alto and Chiado** - Chiado is an elegant and bohemian neighbourhood full of famous cafés, theatres and museums. The colourful streets of Bairro Alto are full of graffiti and laundry hanging outside. The streets are full of graffiti and laundry
